

PRODUCT OVERVIEW

Topcoater Elite Series 5

Product type:

The new generation ms® Topcoater has been developed for industrial painting and manufacturing operators.

Thanks to its simple structure, the ms® Topcoater is more robust than conventional guns and reduces wear.

The ms® Topcoater Elite Series 5 features easy cleaning, quick color changes, ergonomic design, and simple operation.

Its unique corona feedback system allows for well-balanced powder flow adjustments.

Topcoater Speedy

Features:

- Intuitive operation and display via a 7-inch touchscreen
- Pre-set standard programs available, including options like "Metallic"
- Highly accurate air data, powder output, kV, and μ A values
- Easy storage of up to 96 programs
- Compatible with corona spray guns
- Modular control concept

Topcoater Speedy
Single Gun Type

Topcoater Speedy
Dual Gun Type

MS Topcoater Speedy

Weight

60kg / 65kg

Dimensions (W x H x L)

600 x 700 x 1170 mm

Topcoat M5 Manual Powder Gun

M5 Powder Hand Gun

Features:

- Powder output and program settings can be adjusted directly on the gun
- Ergonomic design reduces user fatigue
- Equipped with the latest digital high-voltage technology
- Compatible with metallic powders
- Built-in cleaning system optimizes color change time
- Wide variety of nozzle options
- Easily store and select up to 96 programs
- Pre-installed standard programs for base coat, top coat, metallic powders, and complex shape modes

The latest MS Topcoat hand gun is lightweight and features high coating efficiency through optimized powder output. It is ergonomically designed to reduce user fatigue. With a well-balanced design, the joints are less strained, and the gun can be operated with just one or two fingers. The latest digital control technology improves both surface finish quality and powder consumption. In addition, the latest digital high-voltage technology enables precise parameter control.

Technical specifications:

MS® Topcoater® Elite Series 5

Dimensions (W x H x L) 599 x 701 x 1171 mm

Weight 50 kg

MS® Topcoat® M5 Ergonomic Manual Powder Gun

Weight 388 g

Length 350 mm

Output voltage 100 kV

Polarity Negative

Protection rating IP 64

Powder output (max) 450 g/min

MS® Topcase® S5 Controller

Weight 4.4 kg

Power Supply (AC) 100-240 VAC/50-60 Hz

Input Air Pressure 6 bar, 90 psi

Dimensions (W x H x L) 201 x 119 x 279 mm

Protection Rating IP 64

Charging Method corona

ms® Topcoat® M5 Ergonomic Manual Powder Gun

ms® Topcoater® Elite Series 5

ms® Topcase® S5 Controller

Extension Nozzle

MS® Topcoat Series 5 Accessories

Extension Nozzles

- Flat Spray Extension Nozzle (150 mm / 300 mm)
- Round Spray Extension Nozzle (150 mm / 300 mm)
